CTOR a c a d e m y

ADVANCED TOPICS IN ORTHODONTICS COURSES

Throughout the year of 2019, CTOR Academy hosts lectures and training sessions for practicing orthodontists interested inupdating their knowledge in advanced mechanotherapy, refreshing their skills and getting "hands on" training on TADs, accelerated tooth movement procedures, and cortical drifting. Each session takes place on Saturdays, and includes preclinical workshops, supporting literature and typodont demonstrations.

1 DAY COURSES

Saturday, January 19, 2019

Saturday, February 16, 2019

Review in Basic Mechanics and Mechanotherapy

Saturday, March 23, 2019

Application of External Plate and TADs

Saturday, April 20, 2019

Non-Surgical Treatment of Complex Cases

Saturday, April 27, 2019

Early Treatment

Saturday, May 25, 2019

Growth Modification in Children and Adults

SPEAKER

Mani Alikhani, DMD, MS, PhD

Dr. Mani Alikhani is a faculty at Harvard School of Dental Medicine and the Forsyth Institute. He obtained his BS in Physics, MS in Biomedical Engineering, and PhD in Molecular Biology. He has a DMD degree from Tufts University, and a Certificate of Orthodontics from New York University. Dr. Alikhani is a founding member and Director of the Consortium for Translational Orthodontic Research (CTOR, orthodonticscientist.org), the only center of its kind dedicated to translational research in the field of orthodontics located in Hoboken, NJ. His research efforts in orthodontics and bone biology have produced many patents for accelerated tooth movement and enhanced bone formation in craniofacial skeleton. Dr. Alikhani is the author of numerous articles, chapters, and books, and a renowned expert in non-surgical treatment of severe malocclusions. He has private practices dedicated to Orthodontics in Brooklyn, NY, and Hoboken, NJ.

LOCATION

Located in the heart of Hoboken, minutes away from NYC, courses are run at the CTOR Academy headquarters. CTOR Academy features a state-of-the-art education facilities, a clinic and lab for patient demonstrations and hands-on training.
